Having trouble getting chords and fingerpicking together?

Check out **Modern Guitar Chord Styles, Volume 1** - it provides a systematic approach to learning common chords, strumming and fingerpicking patterns, rhythm reading, bar-chords, chord-change techniques, arpeggio picking and more. It's the best guitar book to get you started and will help you develop all the essential techniques you need. Check it out! The original for *Hallelujah* is in the key of C but there are many cover versions in other keys. This chart is in G Major but you can play it in C Major by using a capo at the 5th fret, or in A Major with capo at the 2nd fret.
