

Lost on You

LP (Laura Pergolizzi)

INTRO : Lam Ré Mim (x2)

CAPO 1

Do
When you get older, plainer, saner
Mim Ré
Will you remember all the danger
Mim
We came from
Lam
Burning like embers, falling, tender
Ré
Longing for the days of no surrender
Mim
Years ago
Mim
And well you know

Pré-refrain

Do
Smoke them if you got them
Ré
'Cause it's going down
Mim
All I ever wanted was you
Lam
I'll never get to heaven
Ré
'Cause I don't know how
Mim
Let's raise a glass or two

Refrain

Do Lam
To all the things I lost on you
Do
Oh oh
Mim
Tell me are they lost on you ?
Do
Oh oh
Lam
Just that you could cut me loose
Ré
Oh oh

Mim
After everything I've lost on you
Do
Is that lost on you ?
Lam Ré
Oooooh ooh
Mim
Oooooh
Do
Is that lost on you ?
Lam Ré
Oooooh ooh
Mim
Baby is that lost on you ?
Do
Is that lost on you ?

Lam
Wishing I could see the machinations
Ré
Understand the toil of expectations in
Mim
your mind
Lam
Hold me like you never lost your
patience
Ré
Tell me that you love me more than
Mim
hate me all the time
Mim
And you're still mine
